

## Postmodern lighting factory (Luxury chandeliers)

### INTRODUCTION

Found in 2008, Postmodern Lighting is a leading lighting manufacturer in Zhongshan City, Guangdong Province, China, specializing in lighting manufacturing & designing for over 15 years. The factory covers an area of 5000 square meters, with over 200 workers, 3 production lines, a hardware workshop, and a painting and electroplating workshop.

Our products include chandeliers, pendant lights, wall lights, table lamps, floor lamps, and so on. Among the pendant lights series, marble pendant lights, yellow travertine pendant lights, and wooden pendant lights are our superior products, and we can provide the most competitive prices.

All Postmodern Lighting products need to go through the testing work of four departments before shipment. The process is as follows: product surface inspection, electric test, lamp aging test, and anti-drop test. In addition, we also cooperate with the customer's import procurement requirements. Products have passed CE and ROHS testing to ensure customers receive the goods safely.
